NeuroDiagnostic Institute COVID-19 Visitation Guidelines July 27, 2020

NeuroDiagnostic Institute understands that visitors play an important role in an individual's recovery and, to help ensure a safe environment for interactions to occur between patients, visitors and staff, NeuroDiagnostic Institute is instituting the visitation guidelines listed below. These guidelines are subject to change depending on the current Indiana Back on Track Stage and statewide mandates, as well as Marion County health department guidance. In the event of a COVID-19 outbreak, a moratorium will be immediately enacted at the hospital.

If you have questions about visiting a patient at NeuroDiagnostic Institute, Christal Esposito, social work director, 317-941-4295.

Visitation guidelines as of July 27, 2020:

- All visitors **MUST** wear a mask during the visit, which will be supplied by the NDI.
- All visitors must sign in and provide information for contact tracing in the event of a COVID positive case.
- Temperature and pre-screening will be conducted on all visitors
- Visits will be limited to two visitors
 - Children may attend visits if approved by treatment team
- All visitations must be scheduled through the patient's assigned social worker and times are scheduled between:
Monday – Friday - 3 – 8 p.m. EDT
Saturday – Sunday - 1 – 8 p.m. EDT
- The NDI will provide alcohol-based hand sanitizer for visitors.
- Social distancing measures must be maintained in visitation area and are clearly marked.
